

ACCOUNTING - FRAUD INVESTIGATION, ASSOCIATE IN APPLIED SCIENCE DEGREE

NMC Code 133

An exclusive partnership between Northwestern Michigan College and Davenport University allows us to offer students interested in forensic accounting the ability to earn an AAS in Fraud Investigation, which leads to further coursework at Davenport University before completing a Bachelor of Business Administration degree in Accounting Fraud Investigation. You will gain experience in communication, teamwork and leadership, as well as the skills necessary for criminal investigation techniques needed by the fraud investigation professional.

Program Note

- In order to complete the program requirements in two years, students must average 16 credits per semester.
