

MUS 103 - SIGHT SINGING & EAR TRAINING

- Direct/regulate their own learning.
- Learn through collaboration.

Course Description

This is the first of a four-semester/two year sequence of coursework designed for students who are pursuing music as an academic major or minor. The content of this course is the building of skills in reading music, and developing aural competency in interval relationships, scales, and triads, through a variety of musical practices. Group 2 course.
