

CIT 119 - MICROSOFT OFFICE - WORD

Course Description

This course teaches students how to use Microsoft Word and prepares them to pass the Microsoft Office Specialist (MOS) Word certification exam. Skills students will learn include navigating in a document, customizing and formatting text, paragraphs and pages, inserting objects, maintaining and proofing documents, performing mail merge operations, document sharing and management, tracking and referencing documents, and managing macros and forms. Course content is mapped to the current Microsoft Office Specialist (MOS) Word learning objectives and students enrolled in this course will take the certification exam.

Group 2 course.
