PHL 105 or PHL 202	Critical Thinking or Contemporary Ethical Dilemmas	3

- 1 Placement into MTH 121 College Algebra or higher, or completion of MTH 111 Intermediate Algebra. The four credits of MTH 111 Intermediate Algebra do *not* count toward total CIT program credits.
- 2 Certiport Information Technology Specialist certification exam included.
- 3 Adobe Certified Associate certification exam is included.
- 4 Students planning to take the internship class require department approval and are required to have a GPA of 3.0 in their CIT classes. It is also recommended that students have 20 credits in CIT classes and an overall GPA of 2.0. *While a 3.0 GPA in CIT classes is required for this internship, an alternative, campus-based internship opportunity is available for students who do not meet this requirement.*
