

# COMPUTER INFORMATION TECHNOLOGY - WEB DEVELOPER, CERTIFICATE OF ACHIEVEMENT (LEVEL III)

NMC Code 041

Students completing the Associate Web Developer Certificate may elect to continue their education and obtain a Level III Certificate. The Web Developer Certificate is designed for students seeking employment requiring more advanced skills including server-side development, advanced database connectivity, and advanced animation. This certificate also includes a semester long internship experience. As the use of artificial intelligence (AI) continues to proliferate all areas of technology, students will also have opportunities to incorporate AI into their course studies.

This certificate program is designed to prepare students for the following additional internationally recognized certifications:

- Certiport Information Technology Specialist - Databases
- Certiport Information Technology Specialist - Software Development

## Requirements

### Certificate Requirements

Course	Title	Credits
<b>Complete Level II Certificate Requirements</b>		<b>30</b>
<b>Level III Certificate Requirements</b>		
Select one of the following:		3-4
ACC 121	Accounting Principles I	
BUS 155	Interpersonal Communications	
BUS 231	Professional Communications	
COM 111	Public Speaking	
CIT 178	Relational Databases <sup>1</sup>	3
CIT 218	Web Application Development	3
